Dear Prospective Volunteer:

Thank you for your interest in Hackensack Meridian Health Pascack Valley Medical Center Volunteer Services Program. Joining our dedicated team of volunteers can be a richly rewarding experience for you. Through volunteering you will find challenging, enjoyable activities that will satisfy you while you perform a valuable service to others. To be considered for available volunteer opportunities at Hackensack Meridian Health Pascack Valley Medical Center, the Adult Application Form and the Health Immunization forms will need to be completed. Additionally, all prospective adult volunteers (ages 18 and above) must submit to a background check.

By completing the application our office can determine the best use of your availability and talents. Please be very specific about which days and times you are able to volunteer; and note that you must be able to commit to volunteering at least 75 hours per year.

The completion of the health certificate form must be done by your personal physician. You will not be able to become a volunteer at the hospital until we have received your completed health form accompanied by your application.

When the completed application, health certificate form and the results of the background check are received, you will be contacted by our office to arrange a convenient time for an interview so we can discuss the role you would like to take on as a Volunteer, as well as what volunteer positions are currently available.

I thank you for your interest in our program, and we look forward to hearing from you.

Sincerely,

The Marketing Department
